

Laurel Letters

Nurture the Beauty of our Gardens

Laurel District, District 1

Director's Message

Edna McClellan, District Director

Sharon Payne, Co-Director

Ann Bridges, Recording Secretary

Marie Purser, Corresponding Secretary

Caroline Alford, Treasurer

Jackie Fulmer, Parliamentarian

It's been a busy time for Laurels of Light and for your director these past few months. The State Board meeting was held at Unicoi State Park in September where we learned and approved of projects for the Garden Club of Georgia. Also in September, I joined several district directors along with our president, Martha Price, in Macon where we met with members of the Department of Natural Resources. We learned how to improve our state parks and the funding available to us. In October our annual meeting was held in Young Harris with 150 in attendance. It was a lovely setting and the Hiawassee Garden Club did a fantastic job in their planning and execution of this meeting. I attended six of the seven district annual meetings and enjoyed each one. We just completed Course II of Garden Study Course in Rome, Georgia, and Flower Show school Course II is scheduled for March 2017. You can still sign up for these courses. Our Ways and Means project, insulated cooler bags, has been a huge success and we still have some left for sale. If you don't have one yet or want another one, contact our Merchandise Coordinator, Betty Reece, or myself. They make great Christmas Gifts. As we head into the holiday season I wish you and your families a Happy Thanksgiving and a Merry Christmas.

Edna

Happenings at The Flower Garden Club of Marietta

Previously The Flower Garden Club of Marietta held its annual fund raiser which was a fashion show and luncheon accompanied by a bake sale. Members modeled lovely clothes provided by a local department store while others joined in by serving food from a local vendor to our 100 guests. Members also were very generous donating baked items such as cakes, pies, homemade jellies, and other items.

The Flower Garden Club of Marietta met and voted to donate \$2000.00 from the fund raiser to The Marietta Educational Garden Center at 505 Kennesaw Avenue, Marietta, Georgia where many of the local garden clubs hold their meetings. The money was designated by the club for the purchase of a new rug for the small parlor, also known as the "cake room". The rest of the money was designated to restore the chandelier in the front parlor. Many hours of planning and tireless effort went into raising this money to be donated to The Marietta Educational Garden Center. Many thanks to all of our members who worked many hours to raise the money and to our Fundraising Chairpersons, Charline Race and Carlene Tutwiler.

In September, we had a program called "Getting Ready For Fall"

Pictured above is Norcross Garden Club's club house which was donated around 1958, the year the club was founded. The club has 50 members and has night and day divisions. The current president is Linda Toole (on left in photo above along with Carol MacGregor). A spring plant sale is the club's major project for the year. They also assist in planning the Norcross Community Garden Park.

which was presented by Mickey Gazaway. Many ideas were presented for fall planting themes, and Mickey brought many plants to discuss and demonstrate combinations and colors of plants for fall and winter gardens. Mrs. Gazaway has worked at Pike's for many years and is a very knowledgeable gardener. We always enjoy her presentations.

In October, our club went on a field trip to Green Meadows Preserve Park located on Dallas Highway. It was the most beautiful sun-

ny fall day for our visit. Jim Bearden gave us an overview of the preserve and the Blue Bird Trail and a wonderful talk on Blue Birds. The park is 112 acres containing 25 Blue Bird nest boxes and 10 feeding stations along a 2.3 mile trail. Approximately 220 baby Blue Birds have been hatched at the preserve this year.

The Flower Garden Club of Marietta donated \$100.00 to Green Meadows Preserve for the purchase of a dogwood tree to be planted along the 2.3 mile Blue Bird Trail. The preserve wants to supply more naturally grown food from trees and bushes and other plants to reduce their food costs for the birds so our contribution to help them was the donation of a dogwood tree.

We really enjoyed Jim's talk and the walk around the preserve, and we marveled at Mr. Bearden's

Continued on next page.

Vicki Jones, President of the Magnolia Garden Club in Cartersville, stands before "Laura's Cottage Garden." Many hostas and liriopie as well as begonias were donated to the club on behalf of the garden. Magnolia Garden Club actually planted this garden at Roselawn Museum in Cartersville as a tribute to Laura Jones, wife of renowned Rev. Sam Jones twelve years ago and has lent its beauty to many bridal portraits over the years on the acre plus grounds where Mrs. Jones planted vegetables as well as various roses, thus the name Roselawn. The Mansion, which is now owned by Bartow County and is a museum, was built in 1860 and listed on the National Register of Historic Places in 1973. A marble bench is inscribed with the namesake as well as the garden club contribution. More plants will be added as the season permits.

The Amicalola Garden Club met on Tuesday, November 17, 2015 for their regular meeting at the Tate Community Room. A wonderful Thanksgiving luncheon was prepared by the ladies. Afterward, Linda Allred brought fruit, candy, and baskets to be arranged and taken to the local nursing homes at Grandview, Pruitt, and Wildwood. The ladies had a wonderful time making and decorating the baskets. Later that day, Linda Allred and Anita Poole made the deliveries to the local nursing homes.

The ladies brought items of socks, tee shirts, and underwear for Central State Hospital in honor of the Fig Leaf Program. The Garden Club participates in this program each year. Also, Christmas stockings were hand make by members to be distributed at Central State Hospital in Milledgeville. The Garden Club participates annually in the State Garden Therapy Program.

During the business meeting, members agreed to adopt a family for the Empty Stockings Program. Susan Armstrong is chairman and along with the committee will be buying Christmas presents for a deserving family. Pictured above members Barbara Walters and Linda Allred adding finishing touches to the baskets.

**The Suzanne Wheeler
Flower Show School**

Sponsored by:
North Georgia Council of
Flower Show Judges

In memory of former GCG President Suzanne Wheeler, North Georgia Council of Flower Show Judges is sponsoring a Flower Show School to be held at Bellmere Garden House in Johns Creek.

Flower Show School is not only for prospective flower show exhibitors and judges, but also for all garden club members and all persons interested in flower design and horticulture. While the primary purpose of these courses is to train those aspiring to become flower show judges, many people attend for information only. Each of the four courses, offered approximately every six months, includes Horticulture curriculum, Design instruction and Flower Show Procedure. The cost for each course is \$125.00. For further information, contact Joy Zaidan, GCG Flower Show Schools Chairman at jzaidan@bellsouth.net or 770-493-8475. Registration form on pg. 13.

Flower Show School

Course II: March 15-17, 2016
Course III: September 27-29, 2016
Course IV: March 28-30, 2017
Fee: Each Course: \$125.00

Venue: Bellmere Garden House
10777 Bell Road
Johns Creek, GA 30097

(Registration limited to 30 students)

The Lawrenceville Garden Club hosted their annual fall silent auction/brunch on November 13th which is a fundraiser for the service projects and GCG projects they support each year. Guest speaker, Edna McClellan, Laurel District Director, and members of the Dogwood Garden Club also attended.

**Ball Ground Business & Community Association Lunch & Learn
Sponsored By The Ball Ground (Anetsa-Ga-Da) Garden Club
*Evelyn Foster, Publicity Chairman***

The monthly Ball Ground Business & Community Association meeting was held on the future grounds of our Botanical Garden, already in planning and PLANTING stages. A local business or group sponsors this regular meeting each month, providing refreshments and program. On July 15, 2015 the garden club hosted this meeting for the purpose of telling local businesses and attendees the details about our upcoming Botanical Garden. Details were given about visions being planned for layout, hardscapes, various gardens to be established, trees, shrubs, and kiosk information for Ball Ground history & donor honorees. Also given was information about purchasing bricks and donor opportunities for anyone interested. Brick order forms were displayed and disbursed, and a layout plan was displayed for all to see. A lovely day in the park, this event was well attended and as always, the garden club was welcomed as a viable part of the Ball Ground community. Pictured above Garden Club Members present.

Laurel District Meeting

Eight members of Cumming Garden Club attended the 57th Annual Meeting of the Laurel District held October 13, 2015 in Hiawassee.

Edna McClellan, District Director, presided over the meeting, which included a memorial to those Garden Club members who had passed away last year. Hosting the meeting was the Hiawassee Garden Club, assisted by the Blairsville Club. After a welcome by Bill Kendall, Towns County Commissioner, Cathy Cox, president of Young Harris College, spoke to the estimated 180 people attending.

Cumming Garden Club members pictured above clockwise: Charlotte Dewberry, Shirley Thomas, Terra Manton, Linda Hardie, Carolyn Nugent, Diane Morgan, Heidi Stuckman (Susan Roof not shown).

Ho'e'n in Euharlee celebrated our 10th birthday on November 14th with a cake at our fall Basket Lunch. We are proud to say one of our charter members, Betty Jane Tilley, is still active in the club.

Fleur de Lis

The Fleur de Lis Garden Club met at Elachee Nature Science Center in Gainesville for its October meeting. Members were treated to a presentation by Peter Gordon on "Birds" and "The Ongoing Programs at Elachee". All had the opportunity to reflect on how this program transcends ecology. Elachee's Mission to promote environmental under-

standing through education and conservation is so comprehensive. They also model their education mission through reaching 31,617 k-12 school children this past year through day visits, camp, special programs, Lake Lanier Aquatic Study, Habitat, Animals & Astronomy. The program models its conservation through treating and maintaining 28 acres of Nature Preserve with treatment of exotic invasive plants to prevent them from choking out our native plant species. Elachee has received accreditation from SACS (Southern Association of Colleges and Schools). This is the only such accredited nature center in the southeast! The Fleur Ladies recognize the Elachee Program as a REAL JEWEL and wanted to make this Jewel SHINE by highlighting its origin to all of you.

Masse Lane, Fort Valley, Georgia

Arboreta, Botanic and Memorial Gardens

Please encourage your club members to support the Arboreta, Botanical and Memorial Gardens. Donations of \$10.00 or more, if received by March 1st, 2016, will receive a certificate at the Garden Club of Georgia State Convention. Include club name and number, district name, club president's name and complete address.

Gifts in honor and memorials are encouraged. Please send name and address of person being honored or memorialized and name and address of family or person to receive acknowledgement card.

If you desire an individual or club membership to the State Botanical Garden, please go to GCG's web site

<http://gardenclub.uga.edu/> look up state chairmanships in the new GCG *Guide* then Arboreta, Botanic and Memorial Gardens for the different memberships that you or your club might consider. This site also has instructions of where to send your check for membership.

Thank you for supporting our gardens.

Dollars Support Scholars

The Garden Club of Georgia, Inc. has named January as “Scholarship Month”. As you know, one of GCG’s missions is Education. One of the ways this mission is fulfilled is through the scholarship program. Last year we were able to award 30 deserving students \$62,600.00 in scholarships. An additional \$4,000.00 each for two students from Georgia was received from NGC.

In order for us to reach our scholarship goal this year, we are asking all club members to support the scholarship program by contributing \$1.00 per member to scholarships during the month of January. The “Dollars Educate Scholars” is a supplement to the Named and Patron of Scholarships and other scholarship giving programs; it is not to replace them.

This is the way it works. All club members are asked to contribute \$1.00 per member during the month of January to scholarships. The monies collected from the members are given to the club treasurer. These funds will be deposited in the club’s account. Write one check from the club payable to GCG and send it to Assistant Treasurer, Susan Turner, with the information below before the end of January. Susan will email you when she receives your check with an electronic thank you note. Clubs with 100% participation will receive additional points for the “Club Standard of Excellence” on the President’s Report.

Questions? Contact Dot Williams, Scholarship Chairman at 478-477-1742; email d.williams@bellsouth.net or Pat Hathaway, Co-Chairman at 706-722-3018 cell: 706-564-4315;

The Scholarship Committee will meet in February to award scholarships to scholarship applicants. Please submit the information below along with your club’s check to be received before the end of January to be counted in this years giving.

Thank you!

Thank you for helping the Scholarship Committee to reach its educational goals. You can be proud

that you have thrown out a lifeline to deserving students to obtain their education.

Stonehedge Garden Club Updates

Jean Bowen

The Stonehedge Garden Club met on September 2, 2015. We enjoyed getting back after a long summer break. Most of us socialized with tasty refreshments and refreshing conversation. We caught up on exciting summer events and heard plans for the future programs and events to enjoy in 2015 and 2016. Our program was given by Allison Miller Johnson, an ovarian cancer survivor. (September is Ovarian Cancer Awareness Month.) Her first-hand information kept each club member sitting on the edge of her seat. Mrs. Johnson gave facts and information in a dialog that left us with vast amounts of data. She was upbeat and factual about the silent killer disease. We feel that we are better informed today than we would have been by our physicians and our reading materials. She left no stone unturned and we are the best informed garden club in the state. We recommend that each club enlist Allison Miller Johnson to come and give them this infor-

native program. A life saved from ovarian cancer is a happy family.

October meeting was held on October 6, 2015. Our speaker was Shelly Cowan from Naturescapes Landscaping Company. She gave a very informative program about flower beds: preparation, caring for the beds, and planting the beds. Gardening is never a one season deal, one must keep digging in the dirt to have the best results. We learned what to add to our soil and when to add what, to make the most beautiful flowers, bulbs and shrubs.

November meeting was held 2, 2015 at the lovely home of Brenda and Travis Pruitt. This was our annual fundraiser. Each club member brought a silent auction item to be auctioned off to the highest bidder. These monies are used to pay guest speakers and other garden projects. There were many lovely Christmas items that found homes and will no less become traditions in a new home. Our very own Monika Wegner created a masterpiece flower

arrangement for the foyer. You will note that is is a magnificent piece of art. The hostesses out did themselves with the tasty delicious one of a kind recipes.

Flower Show Schedules

*Victoria Chandler, Laurel Flower Show Schedules Chairman
 risingstar@ellijay.com, 229 Rising Star Rd., Ellijay GA 30536*

This chairman's job is to assist Laurel District Flower Show Committees in writing schedules and advise them on rules and regulations for a Standard Flower Show as found in the *Handbook for Flower Shows, 2007 Edition*.

At least four months before your show date, send the following to me: two preliminary flower show schedules, a list of invited judges, indicate if show is to be evaluated, award applying for, and a stamped envelope for return of the corrected schedule. I will check the schedule making any corrections or suggestions and verify the good standing of judges invit-

ed and then select the show evaluators from the list of invited judges. I will return one corrected schedule and the names of the evaluators.

The corrected schedule is returned to the show committee, who are to incorporate the corrections to the schedule.

Two copies of the corrected schedule, a stamped self-addressed envelope for return of approved schedule are sent to Jane Johnson, State Flower Show Schedules Chairman who rechecks the schedule and suggests any further changes. The final schedule may be printed after the State Chairman approves.
